

Hey, my name is R my school Board has proposed that high school schedules should begin at 9:30 a.m. and end at 4:30 p.m. My opinion is that I think it is a bad idea.

This is just one of the reason I think it is a bad Idea. If school end at 4:30 p.m. I would have to stay at football practice until 6:30 p.m. And if I had to stay at football I would miss church during the week, and missing church is something I do not want to do.

Now I have another reason why it isn't a good Idea. Homework is a good reason to show this isn't a good Idea see the way I see it is that if school ends that means that I would get started on my homework until 6:30 p.m., because of my sports. So therefore I wanted eat supper until probably around 9:00 p.m. and then I would have to workout so I wouldn't get to bed until about 10:30 or 11:00 p.m.

So if that fills up my schedule until 11:00 p.m. I would have to go to work in the morning. That means I would have to wake up around 4:30 A.M. to go to work and get all of my hours in.

Those are just a couple of the good reasons, why I think ~~it~~ it is a bad Idea. But that's just my opinion.

Score Point: 3

This response reflects a limited degree of proficiency in persuasive writing skills. The writer states a clear position opposing a change in the school schedule. Key ideas are presented to support this position (the student would have to stay too late after school, the student would get to bed too late, and the student would have to work in the morning). However, there is uneven explanation of the key ideas. An organizational structure is evident, but the lack of development and pattern of errors in mechanics and sentence structure keep this response at the score point "3" level.
